

# BOAB POLY TANKS

## EASY & AFFORDABLE!

### JUST ADD WATER...

Carry the water you need when you want, where you want, the convenient modern way with BOAB Poly Water Tanks. Simple to fit, and easy to remove, BOAB tanks come in a huge range of sizes and capacities to mount internally behind seats, in the luggage area, or across the footwell, or externally on the roofrack or in ute trays and trailers. Tough and strong enough to last a lifetime, BOAB Water Tanks are BPA free for safe storage of water.

- designed to withstand harsh off-road conditions
- hard wall food-grade polyethylene
- heavy duty durability with a lighter load weight!

### ...OR MORE FUEL!

The quick, convenient way to extend your vehicle's range without major modifications or major expense. BOAB Poly Diesel Tanks are a 'drop in' installation with a simple gravity fuel feed. Just great for utes!

#### BOAB POLY WATER TANKS

PART No.	CAPACITY (litres)	DESCRIPTION	WEIGHT (kg)	HEIGHT (mm)	WIDTH (mm)	LENGTH (mm)
WTP40Ute	40	Poly Water 40Lt Under Tray	5	375	265	520

**WTP40Ute Poly Water 40Lt Under Tray \$158.00**

*Taper design to mount under ute or truck tray next to wheel. Dual outlets for left- or right-hand use.*

Dimensions (h x w x l): Top: 375 x 265 x 520mm  
Base: 375 x 265 x 375mm

Includes universal mounting brackets, filler cap and tap.

**WTP40FW Poly Water 40Lt Footwell \$195.00**

*Shaped to fit in footwell behind front seats. Ribbed top is strong enough to support items stored on top of tank.*

Dimensions (h x w x l): 190 x 250 x 1200mm  
Tunnel cutout (h x w): 110 x 420mm at base. Console cutout (h x w): 60 x 200mm  
Screw cap filler. 1/2" BSPT brass outlet each end. Nutserts for handles/mounts.

**WTP45FV Poly Water 45Lt Vertical or Flat \$195.00**

*Spigot filler neck allows mounting vertically behind seats and in front of ute trays, or flat on roof racks, ute trays or under false floors.*

Dimensions (h x w x l): Top: 580 x 90 x 1090mm  
Base: 985mm length

Remote or close-coupled filler cap. Brass outlet and breather fittings. Spigot suits 38mm ID hose. Filler kit WTPFK1 optional.

**WTP45R Poly Water 45Lt Roof Rack Mount \$295.00**

*Rectangular 'jerry can' style tank designed for fitment to FrontRunner Slimline II roof rack but easily adapted to other applications.*

Dimensions (h x w x l): 350 x 350 x 470mm (+60mm brackets)  
Includes mounting brackets and screw cap filler.

**WTP48V Poly Water 42Lt Vertical \$195.00**

*Vertical design with wheel arch cut-outs for use in most wagons and utes.*

Dimensions (h x w x l): 600 x 75 x 1295mm  
Cutouts (h x w): 250 x 200mm

Screw cap filler. 1/2" BSPT brass outlet in recess.

**WTP50T Poly Water 50Lt Taper \$195.00**

*Universal fit with taper design to maximise space. Ideal behind seats in wagons or in ute tray.*

Dimensions (h x w x l): Top: 350 x 150 x 1000mm  
Base: 350 x 200 x 1000mm

Screw cap filler. 1/2" BSPT brass outlet.

**WTP55U Poly Water 55Lt Rectangular \$265.00**

*Universal design for use on roof racks and ute trays.*

Dimensions (h x w x l): 310 x 195 x 1120mm  
Screw cap filler. Outlet to suit 12mm hose.

**WTP60FV Poly Water 58Lt Vertical or Flat \$195.00**

*Spigot filler neck for flat or upright mounting and concealment in storage system or ute canopy with remote hose and filler.*

Dimensions (h x w x l): 235 x 345 x 840mm  
Remote or close-coupled filler cap. Brass outlet and breather fittings. Spigot suits 38mm ID hose. Nutserts for mounting. Filler kit WTPFK1 optional.

**WTP75C Poly Water 75Lt Camper Trailer \$225.00**

*Designed for under-floor fitment in camper trailers etc. Heavy-duty construction for off-road use with no extra guards required.*

Dimensions (h x w x l): 240 x 600 x 800mm  
Fitted with x4 3/4" BSPT brass inserts for filler/return plus 3/8" BSPT threaded breather hole.

**WTP80F Poly Water 80Lt Under Tray \$345.00**

*Heavy-duty construction designed for use under off-road camper trailers, caravans and beneath ute trays.*

Dimensions (h x w x l): 115 x 805 x 1070mm  
Two outlet positions. Supplied as a bare tank with no fittings, mountings or hoses.

**WTP120U Poly Water 120Lt Rectangular \$345.00**

*Large capacity tank ideal for use in ute and truck trays and some camper trailer applications.*

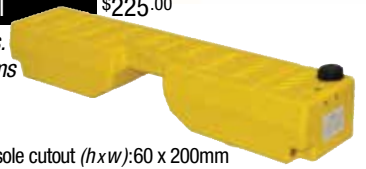

Dimensions (h x w x l): 335 x 500 x 815mm  
Screw cap filler. Outlet to suit 12mm hose.

**FTP40FW Poly Diesel 40Lt Footwell \$225.00**

*Shaped to fit in footwell behind front seats. Ribbed top is strong enough to support items stored on top of tank.*

Dimensions (h x w x l): 190 x 250 x 1200mm  
Tunnel cutout (h x w): 110 x 420mm at base. Console cutout (h x w): 60 x 200mm  
Screw cap filler. 1/2" BSPT brass outlet each end. Nutserts for handles/mounts.

**FTP45FV Poly Diesel 45Lt Vertical or Flat \$225.00**

*Spigot filler neck allows mounting vertically behind seats and in front of ute trays, or flat on roof racks, ute trays or under false floors.*

Dimensions (h x w x l): Top: 580 x 90 x 1090mm  
Base: 985mm length

Remote or close-coupled filler cap. Brass outlet and breather fittings. Spigot suits 38mm ID hose. Filler kit FTPFK1 optional.

**FTP48V Poly Diesel 42Lt Vertical \$225.00**

*Vertical design with wheel arch cut-outs for use in most wagons and utes.*

Dimensions (h x w x l): 600 x 75 x 1295mm  
Cutouts (h x w): 250 x 200mm

Screw cap filler. 1/2" BSPT brass outlet in recess.

**FTP50T Poly Diesel 50Lt Taper \$225.00**

*Universal fit with taper design to maximise space. Ideal behind seats in wagons or in ute tray.*

Dimensions (h x w x l): Top: 350 x 150 x 1000mm  
Base: 350 x 200 x 1000mm

Screw cap filler. 1/2" BSPT brass outlet.

**FTU55P Poly Diesel 55Lt Rectangular \$295.00**

*For use in ute trays, built-in and other applications. Pump or gravity feed.*

Dimensions (h x w x l): 310 x 195 x 1120mm  
Supplied with screw filler cap, brass vent and brass outlet for 8mm hose.

**FTP60FV Poly Diesel 58Lt Vertical or Flat \$225.00**

*Spigot filler neck for flat or upright mounting and concealment in storage system or ute canopy with remote hose and filler.*

Dimensions (h x w x l): 235 x 345 x 840mm  
Remote or close-coupled filler cap. Brass outlet and breather fittings. Spigot suits 38mm ID hose. Nutserts for mounting. Filler kit FTPFK1 optional.
