

BOAB DRAWERS

SMARTER STORAGE SOLUTIONS

BOAB – THE BETTER CHOICE IN ROLLER DRAWERS

Installing roller drawers in your vehicle gives you easier access, extra security and added safety. Work or play, you'll be able to store gear where it's out of sight, easy to get to, and won't be rolling around!

- unique easy-fit adjustable mounting system suits most vehicles
- rattle-free construction
- sealed roller bearings
- all-metal drawers with felt lining
- black marine carpet exterior
- waterproof plywood top deck
- lockable drawers
- slam-shut catches
- built-in tie-down points
- built-in 'safety gap' avoids injury
- easily transferred between vehicles
- optional side filler panels for popular models

DOUBLE DRAWER – FIXED TOP OR FRIDGE SLIDER

The double roller drawer with the features, fit and finish you want! Choose from solid fixed top, or left or right-hand side fridge sliders. Incorporates the latest BOAB feature – a built-in multi-point anchor track tie-down system for the ultimate in cargo carrying versatility. Available in sizes designed to suit big 4x4 wagons and dual cab utes, or Prado and other medium size wagons.

SINGLE DRAWER – STANDALONE OR STACKABLE

Perfect for smaller vehicles or in applications where you need to retain vertical height space in your load area. Use as a standalone single unit or stack a pair together for twin-drawer storage. Hassle-free installation, and easy conversion to stacked pairs with a simple 'drill and bolt-on' job after removing lower drawer's carpeted top deck. Can also be installed on BOAB double drawer for the maximum in safe, secure, convenient storage space.

UTE DRAWERS – DOUBLE OR SINGLE

'Extra-long' 1300mm drawers designed specifically for use in ute or tray beds. Sturdy, weatherproof top with built-in tie-down points makes securing a load easy while lockable drawers keep your gear safe. Choose from fixed or sliding-top double-drawer units or stackable single-drawer units. Lockable security, maximum utility, real quality, and great looks.

Optional side filler panels for that factory-fitted look. Available to suit a growing range of popular vehicles.

Unique anchor track tie-down system for multi-point mounting. Single comes with four rings, double drawer with eight.

Lockable slam-shut catches. Sturdy ergonomic handles. Built-in safety gap on sliding drawers to avoid hand injury.
