OLISL Insect Screen Large

Mesh Insect Screen made from high quality black "shade cloth" material with a full border seam and elastic cords fitted with hooks for simple installation & removal.
Dimensions: 800mm x 1000mm (Can be used either way).

OLSO Seat Organiser

Simple light weight canvas seat organiser with 4 large pockets.
Hangs over headrest supports and secures with adjustable straps.

OLCO4 Cutlery Organiser

Canvas pouch that folds to a compact and rattle free storage solution for your camping cutlery and cooking tools
Opens to a large area with hooks to hang in a convenient location.
Sufficient pockets for a 4 person setting.

OLCRB Rubbish/Duffle Bag

Canvas bag with draw cord top opening.
Ideal as outer protector for camping rubbish or for general storage
Accepts a standard 56lt plastic garbage bag which ensures the inside of the canvas bag doesn't get smelly and the plastic liner is protected for the trip home.

OLRNS Roof Net Small

Webbing net with metal end supports.
Attaches across vehicle under the roof lining to provide dust free storage of pillows, jackets and other clothing. Attach to grab handles or create eye bolt mountings
Dimensions: 370 mm wide x 1200mm long

OLRNL Roof Net Large

Quality webbing net with corner metal rings and securing straps.
Attach to grab handles or bolt the metal mounting tabs included with the net.
Can be used vertically as a form of cargo barrier
Dimensions: 900mm wide x 1100mm long

OLBRLR Cargo Barrier Net

Webbing Barrier Net for larger 4WD wagons with securing straps and metal mounting rings
Ideal for extra protection when a metal cargo barrier is not possible or desirable.
Dimensions: 1400mm across the base, 1050mm across the top, 650mm high.

OLWTD Wheel Tie Down

3 Leg Strap and Ratchet mechanism to securely hold a spare wheel or other difficult objects.
Attach to roof rack using eye bolts or similar. Each strap has non slip metal buckle and lots of length to suit larger wheels.

RGWRD1 Winch Dampener

Simple light weight and easy to use Winch Cable Dampener.
An endless loop design through which you pass the winch cable.
Pockets to allow sand or rocks for ballast to be added - then removed for flat storage.

OLTR Tool Organiser

Canvas pouch to store necessary tools which folds and can be rolled into compact and rattle free storage. Has 13 pockets ranging from 130mm—190mm height.
Dimensions when open: 800mm wide x 480mm high

OLVW Visor Wallet

Canvas wallet for convenient storage of notebook, pen, business cards, logbook etc. Secure with adjustable elastic/velcro straps on sunvisors for out of sight storage.
Dimensions when closed: 300mm wide x 140mm high
